

her own freedom! I found
the laundry out at night,
without her telling me!
I should have known I guess?

Now 20h 30, my her massage
is finished! N. warnings!
I will be late or I know you
are waiting

To be honest, it is done
with me! I want her to find
her true self! But it makes
me wonder: What would
be my true self, now that
I am listening to the
anesthetist and want to
help!

But what if?

My true self would be!

- To keep studying with
no time limits in order
to find and develop the
perspective, which I hope,
would help humanity to
break "the log",
realize their own rights,
consciousness & freedom.

- Be acknowledged as a
"universal artist", who
does actually contribute
to the well being of the
world - aka. Shاعر.

- Have the means for a
beautiful "natural re-
home", in nature -
in harmony with
nature - get to communicate
with it! In harmony
with the snake in the
garden!

- Enjoy all animal
experiences that are shared
and meaningful!

- have "too much" money and
mean so that I can share!

- have a life of quality,
where everything I touch
and interact with has
meaning and beauty!

- beautiful, fun,
enlightening! A lot!

- Meaningful conversations!

- blessed enlightenment
shared through wisdom

- Being beyond photos,
words! Hidden aspects!

- Simply embracing the
