

The white Snake
the white lady with the fangs

~ FEB/24

Mysterious lady with the Fangs -
Elixir of sublime pleasure,
She makes all your dreams -

beyond all forms & treasures

Kissing and licking you,

caressing

being eaten

each breath reach stroke
making you burst out of pleasure

On the edge of Ecstasy

Until she bites you to "surrender"

She has all controls on you.

She is the results
