

ESOTERIC BUDDHISM

1 INDIA TANTRIC BUDDHISM

4 personal thoughts: learn from others,
develop rituals that come naturally to you.
Be aware of emotion and intentions.

Connect breath / mind / body

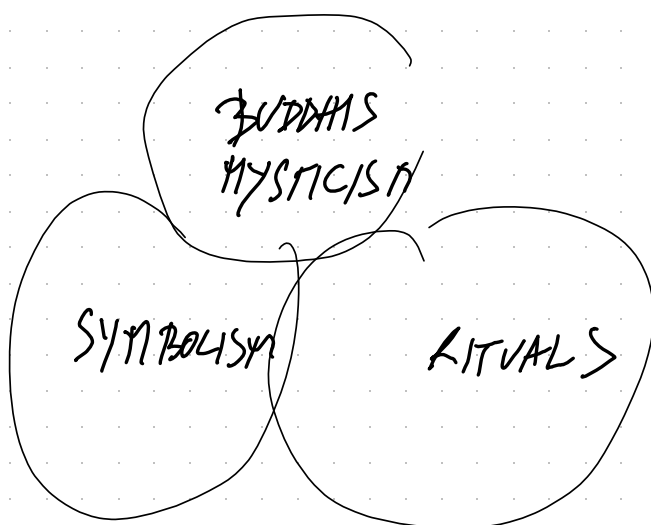

i.e.  hands above head, thumbs touching
as you expand visualize a sphere

join your hands at the heart.

→ connect both the physical body and
the spirit

— spiritual training + physical practice —

→ monks & Siddha's influence from India

Masaki 2004: 12-16

* if one feels stuck not feeling it can transcend
the barrier to higher consciousness. i.e. "I have
read everything, I feel stuck".

it is most likely the time to integrate the
intellectual studies to physicality.
